## ABOUT THE OWNER:

Rob Friedman first traveled to Bali several years ago, and while he was there, he befriended Wayan Menu, a local resident of Amed. They developed a close friendship which eventually resulted in the purchasing of a rice paddy on the beach. Rob's initial vision was to build a little seaside cottage as a respite from Portland rain. But once Wayan, (Rob's new business partner) and Rob began collaborating, together they created Apakabar Villas, a magical boutique hotel and full service restaurant. The magnificent four-bedroom Villa Paradiso is Rob and Wayan's second creation, located just down the road from the hotel.

Now after having lived in Bali extensively, Rob has truly come to experience this island as his second home. It gives him great pleasure to share his knowledge of the area and culture with guests. It is Rob's belief that while Bali is breathtakingly beautiful, it is the Balinese people and their unique culture that makes Bali a most magical place. He can assist you in your trip planning to make your vacation the adventure of a lifetime. Once you arrive in Bali, Wayan and his staff will ensure that your stay is warm and memorable.
